EXPERIENCE

AGNOS HEALTH — HealthTech Startup (Hybrid)

Apr 2021 – Present

Marketing Communications Specialist

Jul 2021 – Present

- **Led strategic communications** across web, social, and owned channels, translating complex healthcare topics into accessible, high-trust content. Directed creative execution and scripted short-form videos that reached 60,000+ organic views in a single day and over 280,000+ views during top-performing campaigns with zero ad spend.
- **Spearheaded joint PR campaigns** with leading hospital networks and government partners (Dept. of Mental Health, BMA), driving B2C platform growth on LINE OA by 27x (from 1K to 28K+ users). Co-created medical content with specialist physicians, managed KOL/influencer partnerships, and represented the company as a speaker and booth lead across 40+ industry events.
- **Built a scalable content framework** for an in-house and freelance production team, guided designers and video editors through creative reviews and feedback, and established standardized workflows that improved collaboration, reduced revision cycles, accelerated campaign delivery, and enabled greater team autonomy.
- **Conducted Voice-of-Customer (VoC)** interviews with users, clinical directors, and head nurses. Translated qualitative insights and engagement data into high-value B2B case studies that enabled sales teams to open hospital conversations and informed product/UI improvements.
- **Partnered directly with the CEO** and cross-functional teams (Product, Sales, and Admin) to translate business priorities into strategic marketing initiatives, align campaigns with organizational goals, present marketing performance updates, and drive continuous optimization through data and growth metrics.

Content Specialist (Internship)

Apr 2021 – Jul 2021

- **Created content and supported video editing and copywriting** across the company's channels, later transitioning into a full-time marketing role.
